

Check-In Procedures

Your child's safety is of the utmost concern to us. That's why we take such great care making sure our children's buildings are as safe and secure as possible. With this in mind, please follow these five easy check-in procedures:

Check-In Procedures

1. Get a QuickPass

Pick up your family's new QuickPass key tags at any security booth or in the Children's Ministry Office.

2. Go to a Check-In Booth

Check in your child at any one of our convenient check-in locations. (Note: Grades 4-6 will be allowed to check in without a parent. They must be checked in to enter the Children's Building.)

3. Get Your Child's Nametag

You will receive a nametag displaying your child's name that is to be placed prominently on your child's clothing. (Access to the Children's Building will not be granted without a nametag.)

4. Get Your Check-In Receipt

In addition to your child's nametag, for all children birth through grade 3, you will be given a printed "receipt" for child pick-up that bears a randomized alphanumeric code. This code will also appear on your child's nametag.

5. Get a Parent's Nametag

Parents must also print a nametag for themselves. You may also print optional asset tags to label your child's belongings.

Access to the Children's Building will not be allowed without a nametag and a receipt.
