

Project Timothy

Project Timothy seeks to engage believers in a one-to-one mentoring relationship. This relationship will be beneficial for both new and growing believers. Trained mentors are committed to promoting the Great Commission by guiding and encouraging men to become stronger believers, husbands and fathers.

Men have participated in Project Timothy to learn how to study their Bible, strengthen their marriage, kick start their walk with the Lord, or grow their faith as a new believer.

And what you have heard from me in the presence of many witnesses entrust to faithful men who will be able to teach others also. — 2 Timothy 2:2
