APOLOGETICS

The Truth Project – (Coed)

Facilitator: Jim Mulkey

A recent study by the Barna Research Group revealed that only 9 percent of professing Christians have a biblical worldview. Because of this, today's believers live very similarly to non-believers. A personal sense of significance is rarely experienced, we spend our money and time on things that fail to satisfy and we begin to wonder what life's ultimate purpose really is. We are, in short, losing our bearings as a people and a nation. This study, from Focus on the Family, is the starting point for looking at life from a biblical perspective. Each lesson discusses in great detail the relevance and importance of living the Christian worldview in daily life.

SPIRITUAL GROWTH

Respectable Sins (Coed)

Facilitator: B.D. Pierce

As Christians, we believe that all sins are considered equal in God's eyes. Yet while evangelicals continue to decry the Big Ones---such as abortion, adultery, and violence---we often overlook more deceptive sins. It seems we've created a sliding scale where gossip, jealousy, and selfishness comfortably exist within the church. In short, some sins have simply become acceptable. Throughout this study, we are encouraged to have victory over personal sin through the gospel's transforming power, the perfect release for those who desire to thoughtfully examine their lives and discover a deeper walk with God.

Using the examples of revival both in the Bible as well as in history, this book offers a clear and simple road map back to God. If you're unhappy with your spiritual life, if your love for God has grown cold, or if your desire to put Him first needs rekindling, *Downpour* can help you experience an absolute soaking of God's Spirit and bring about a biblical, joyful, and radical revival in your life!
